## THE Sopranos

### The Final Episodes

The clock keeps ticking. Time is running out. But for whom? The countdown to the final episode of *The Sopranos* continues as HBO premieres three all-new episodes. As the final episodes take shape, Tony faces another myriad of stress-inducing crises at home, at work, and from the law. While his wife and children each make choices that promise to change the face of the Sopranos' domestic life, Tony also comes to doubt the allegiances of some of those closest to him at work...none of whom is above suspicion. Edie Falco, Lorraine Bracco and Michael Imperioli lead the incredible supporting cast. *Widescreen.* (AC,AL,GV,N) TVMA/V,S,L-:58.

This *HBO Documentary Films* presentation explores Berliner's complicated relationship with sleep and the unsettling ripple effect his insomnia has had on everyone around him. Incorporating archival film clips, consultations with sleep experts, an overnight stay at a sleep lab, conversations with family members, home movies and dream visualizations, this caffeinated film takes an eye-opening look at a restless soul who derives most of his creative energy at night, but who is often left "jet lagged in his own time zone." *(AC,AL) TV14/L,D-1:19.
